## **Glenbard North golfers are DVC champions**

The Glenbard North High School varsity golf team shot a 309 to win the DuPage Valley Conference Tournament and Championship - the first golf conference championship in Glenbard North's 37-year history - yesterday at Naperbrook.

In a dramatic finish, the host Redhawks of Naperville Central High School tied the Panthers' total with their last player, but the Panthers' fifth card proved to be the difference and gave the Panthers the conference title.

The Panthers had five players score in the 70s: Chris Lynch 77, Ray Larsen 77, Jon Golabek 77, Justin Maturo 78 and Matt Doyle 79. They had four players in the Top 10.

The Panthers will try to qualify through the IHSA Regional Tournament on Monday at Mill Creek.
